Dear Sir,

LETTER OF RECOMMENDATION

I hereby recommend that the programme of Ajegunle Community Project on Gender Based Violence and Discrimination in schools should continue.

We attest that the programme has helped in reducing Teenage Pregnancies, School Drop -Out Rate, Sexual Exploitation, among others.

The programme has also somehow bridged the gap between the students and their parents,

I have every cause to believe that ACP has improved the lot of the students, especially the females

The programme should continue
