Sir,

LETTER OF RECOMMENDATION

On behalf of my entire school, I write to recommend your efforts in the area of Girl's Child Gender Discriminations, Sexual Harassment and All Kinds of Violence against Youth in the school.

Summarily, the general students are now aware of their rights. The girls are now assertive of their sexual rights, and are now coming out of their shells to discuss their problem with counselors.

We therefore, solicit for additional help than ever in all area available to your office.

Thank you for all your efforts in making the students and the general public to be aware of their rights and be free from all kinds of violence.

Thank you,

Yours faithfully,

Principal
